## OFFICE OF MAYOR TYRONE WARD

March 18, 2020

My fellow Robbins residents:

I will begin this address by thanking each and every one of you for all of your support as we face the challenge this new Coronavirus (COVID19) pandemic places on this country and our village. I want to assure you that my staff and I are working diligently with Federal, state, county, local officials and private agencies to continue to provide you with services and keep you updated with the latest information. We will get through this together.

Make sure you stay vigilant. Wash your hands constantly, practice social distancing (keep six feet between one another), avoid community gathering and if you have trouble breathing or feel feverish contact your local clinic or healthcare professional. Let's use common sense to protect some of us that are the most vulnerable.

We have made changes to our office to make access easier. You can utilize our website at [www.robbsins-il.com](http://www.robbsins-il.com) to pay your water bill and fill out a community concern. We also have direct links to the IDPH (Illinois Department of Public Health) and CDC (Center for Disease Control) for up to date information. You may also pay your bills or contact us via phone at 708-385-8940 or use our dropbox at the village hall.

There are several ways we will communicate with you. Be sure to listen fully to robocalls, read emails and pay attention to our digital signs located at our Village Hall and 139th and Kedzie.

Finally, our essential services will continue its operations. Police, fire and ambulatory service as well as water sanitation and public are on standby 24/7. We are here for you. Let's pray for our first responders, health care workers and continue to pray for one another.

On behalf of the Clerk, Board of Trustees and staff of the Village of Robbins, I want you to know we will continue to pray for your families and our entire community.

Sincerely,

Tyrone Ward, Mayor  
Village of Robbins
